However, it is still your responsibility to ensure that you are familiar with the Terms.

- 1.8 A Member must hold only one Account. A Member must not have previously held an Account with VikingBet. VikingBet reserves the right to suspend or cancel any Account where it believes a Member, or a group of Members, is attempting to coerce the Account creation process or contravene the Terms in any way. Amounts deposited into additional Accounts held by a Member will be credited back to the Member, where reasonably possible.
- 1.9 You agree that the Website offers the service of placing Bets on competitive sports such as Aussie Rules, National Rugby League, among others (**Sports**) and thoroughbred, greyhound, and harness racing (**Racing**). If you do not provide Personal Information requested, you may be unable to open an Account.

## 2 YOUR OBLIGATIONS AS A MEMBER

- 2.1 As an Account holder and Member your obligations include those set out in this clause.
  - (a) You must maintain an up-to-date record with VikingBet of all details provided in relation to your Account including your name, address, contact numbers, e-mail address and banking details (including the expiry date of any credit/debit card used).
  - (b) You must notify us immediately and correct any incorrect information on your Account, which is not limited to the details listed above at clause 2.1(a). Failure to comply with this clause may result in a suspension or cancellation of a Member's Account.
  - (c) You may only open an Account, place a Bet or otherwise use our services where it is lawful to do so in the jurisdiction in which you are located. If you are a resident of a country where online or telephone Betting is prohibited or you have not attained the legal gambling age of that country, you must not register with us, attempt to use our services, or use your payment card or other payment method to Bet with us. For legal and commercial reasons, we do not permit Accounts to be opened by, or used from, a customer who resides outside Australia and New

Zealand (**Prohibited Jurisdictions**). This list may be updated from time to time, and it is the responsibility of the Member to be aware of the relevant Prohibited Jurisdictions.

- (d) You must not hide the jurisdiction, or attempt to hide, the jurisdiction in which you are located for the purposes of opening an Account, placing a Bet or otherwise using our services (**Masking**). This includes hiding the Internet Protocol (**IP**) location of the Member via such means as a Virtual Private Network or an equivalent service (**VPN**). On discovery, or reasonable suspicion of Masking, or attempted Masking, VikingBet reserves the right to suspend or cancel the Account in question, without prior notice. Further, VikingBet may, from time to time, monitor transactions on Accounts and check the location of any given transaction. VikingBet reserves their right to suspend or cancel an Account where transactions appear to be originating from a Prohibited Jurisdiction. You agree that we may suspend or cancel your Account on this basis, and you acknowledge that data that relates to tracking such activity may not always be accurate. Finally, VikingBet may or may not accept Bets from Members that are under investigation by VikingBet in respect of Masking-based concerns.
- (e) You agree that in circumstances where VikingBet discover, or have a reasonable basis to believe, that you have opened an Account in a Prohibited Jurisdiction, VikingBet may at its absolute discretion do any, or all of the following before, among other things, allowing the withdrawal of funds:
  - (i) close or suspend the Account;
  - (ii) request proof of the method of payment employed and bank account information; and
  - (iii) request further Know Your Customer (**KYC**) documentation (for example, further personal identification information).
- (f) You must undergo Member identification and verification using specific Personal Information (**Identification and Verification**) to the satisfaction of VikingBet before you will be permitted to withdraw funds from the Account.
- (g) You must notify VikingBet immediately of any matter (including if you suspect that your mental capacity is in any way impaired) which may lead us to reasonably infer that your ability to make sound judgements about Betting in respect of your Account may be impaired. We reserve our right to suspend or cancel an Account where this is the case.
- (h) You agree that your Account is not a bank account and is therefore not to be insured, guaranteed, sponsored, or otherwise protected by any deposit or banking insurance or by another other similar insurance system.

### 3 MEMBER IDENTIFICATION AND VERIFICATION

- 3.1 A Member must successfully undertake Identification and Verification to hold an Account. This must be in compliance with the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006* (Cth) (**AML/CTF Act**) and its associated rules (**AML/CTF Rules** and, together with the AML/CTF Act, the **AML/CTF Legislation**). Under section 4.2.6 of the

AML/CTF Rules an individual Member must provide a minimum proof of their full name, date of birth and their residential address to meet the Identification and Verification. You accept and acknowledge that VikingBet must abide by the AML/CTF Legislation.

- 3.2 You agree that the Identification and Verification information you provide to VikingBet to open an Account are true and correct, are not misleading (including by omission) and that they are your own personal details and not the details of anyone else. You acknowledge that it is an offence under the AML/CTF Legislation to knowingly give information that is false and misleading to a reporting entity (such as VikingBet). VikingBet relies on the information that you provide being true and correct. If VikingBet has reasonable ground to suspect that the warranty set out in this clause is false, and/or any information you provide is untrue, incorrect, or misleading, then, without limiting any other provision of these Terms, VikingBet may:
- (a) suspend or close your Account;
  - (b) cancel or void any transactions placed with it and VikingBet will not be obliged to pay any winnings which might otherwise have been payable to you;
  - (c) retain (or recover from you) the value of any cancelled or voided transactions and any winnings paid to you; and
  - (d) report the matter to law enforcement authorities and regulatory bodies.
- 3.3 Identification and Verification must occur at the same time that a Member opens an Account. Should Identification and Verification not successfully occur at this time, or any specified time as required under the AML/CTF Legislation or by any relevant regulator, VikingBet will suspend the Account and the Member will not be able to, deposit funds, place any bets or withdraw any funds until such time as the Member successfully completes Identification and Verification. VikingBet also reserves the right to void any pending or resulted Bets if information supplied by you is found to be inaccurate or incomplete. A failure to comply with Identification and Verification obligations may result in an investigation of the Account and where a reasonable basis exists, a referral to the Australian Transaction Reports and Analysis Centre (**AUSTRAC**) or another relevant authority.
- 3.4 When establishing an Account and/or making the first deposit into the Account, the Member accepts that we will provide that Member's Personal Information (including KYC information) to our choice of a third-party credit-based entity such as Green ID, for the purposes of independent Identification and Verification services (**Third Party IDV**). Third Party IDV may involve checking the provided identification across other third-party databases and/or credit headers. Third Party IDV is an independent service, not under the control of VikingBet, and accordingly we cannot guarantee that 100% of our Members will be successfully verified this way or the timeframes of Third Party IDV. Unfortunately, this may mean your Identification and Verification may not be successful or could be delayed. We are not responsible for any such delay or Identification and Verification failure. VikingBet will pass on only the bare minimum of your Personal Information required to meet the Third Party IDV. No personal financial information of a Member is passed between VikingBet and any Third Party IDV.

- 3.5 Where KYC documents used for Identification and Verification do not have the Member's current address clearly on the front or back of the provided documents, you must provide an acceptable alternate proof of your current residential address. An acceptable proof of address may include, at the discretion of VikingBet, a certified copy of one or more of the following documents (which must be dated no more than 3 months prior to the date that the Member provides the document to VikingBet):
- (a) a rates notice of your principal place of residence;
  - (b) a utility bill;
  - (c) a statement from a financial institution; and
  - (d) any other certified document which VikingBet may request if we consider it appropriate.
- 3.6 All documents related to Identification and Verification which you are required to provide to VikingBet must be provided in English or they may be rejected. VikingBet may at its discretion elect to conduct further investigations into any documents provided. Further investigations may not be limited to instigating direct contact with the Member to confirm any provided documents, or its contents. VikingBet reserves its right to reject any certified KYC document provided to VikingBet. Further, VikingBet reserves the right to ask for additional information or documentation be supplied if the copies are illegible, unclear, we need further information to satisfy ourselves of your identity, or otherwise comply with AML/CTF Legislation. This includes, from time to time, where VikingBet may request proof that all KYC documents are up to date and to produce further documents if there has been a change. Any further request made to documents in these circumstances will require newly provided documents to also be certified. If you do not provide, or if VikingBet is unable to verify, such additional information, your Account will be suspended, and you will not be able to transact or withdraw any funds until such time as your identity has been verified.
- 3.7 Where a Member deliberately falsifies any KYC documents, related document or details for any purpose associated with their interactions with VikingBet, or with opening and/or transacting on an Account, VikingBet may suspend or cancel the Account without prior notice to the Member and void any pending or resulted Bets.
- 3.8 VikingBet may, on request, require further and better copies of any debit, credit, virtual, prepaid, travel card, or the like (**Card Payment**), that is not legible and used to fund an Account. VikingBet may choose to reject any form of Card Payment submitted at their discretion, in circumstances not limited to, the rejection or dishonour of a card. A Card Payment must match the Member's Account details, or otherwise be verified. Where a Card Payment is used which does not match your Account details, or otherwise has been verified by us, VikingBet may reject the transaction or suspend the Account until the consent, validity, or legality of the transaction is proven.
- 3.9 VikingBet reserves the right, at any time, to:
- (a) request a bank statement associated with an actual or proposed Card Payment;  
or

- (b) request you confirm the exact value of a small authorisation amount we have charged the third-party account attached to the Card Payment method; or
- (c) request a legible copy of the front of the relevant Card Payment method.

#### 4 ACCOUNT SECURITY

- 4.1 VikingBet takes account security seriously. A Member is responsible for their own Account login credentials that include any; Personal Identification Number (PIN), password, login number or identifier (**Login Credentials**). A Member must keep their Login Credentials secure and confidential. Where a Member believes their Account or Login Credentials, or device they have used to access the Website, or their Account or the Login Credentials are lost, forgotten, or compromised they must immediately notify us. We may choose to issue new Login Credentials, or, at our sole discretion a new Account. In turn, we reserve our rights to reject or invalidate any transactions that occur using a Member's past Account or Login Credentials.
- 4.2 In extremely limited circumstances where a Member wishes to use a nominated person to access to their Account or use their Login Credentials they must first receive written approval from us. We may refuse such request at our discretion. For the avoidance of doubt, a nominee includes, but is not limited to a family member, an authorised entity or company, business, or group of people (**Nominee**). We may request certified documentation from any proposed Nominee, or a written endorsement of the Account holder for the proposed Nominee to access the Account. The Member remains solely responsible for their Account, including but not limited to transactions, Bets and Account changes made by any Nominee. We do not accept any liability, loss or otherwise that results from a Nominee using a Member's Account.
- 4.3 A Member is responsible for all Bets and any losses on their Account, be that by way of use by a Nominee or otherwise, where their Login Credentials have been used. This also includes a situation where:
  - (a) your device remembers or retains your Login Credentials (or part of your Login Credentials) for a certain period of time or indefinitely, either automatically or because you have selected an option to do so;
  - (b) your device keeps you logged into your Account for a certain period, either automatically or because you have selected an option to do so; or
  - (c) you do not manually log out of your Account.
- 4.4 A Member is responsible for ensuring that no person under the age of 18 (**Minor**) accesses or uses their Account. Where possible, a Member should be aware of the presence of any Minors while placing a Bet and seek to limit any exposure to a Minor of gambling and potential gambling harm. In circumstances where the Member shares a laptop or computer with a Minor, VikingBet strongly recommends the installation and use of parental/child protection software such as NetNanny or the like.
- 4.5 A Member is solely responsible for the balance of their Account and should confirm and query immediately any suspect transaction. We recommend that a Member check the balance of their Account each time they log onto their Account or at any time they place

a Bet. It is the responsibility of the Member to immediately notify us where any suspected Account discrepancy is discovered.

- 4.6 VikingBet's Website contains content that is intended for access and use only by persons over the age of 18.
- 4.7 To use the Website, we advise that location data from your device while using the Website will be accessed and used by our integrated security systems to alert us to suspicious activity, for the purposes of protecting your Account security and preventing fraud. We may require you to register your devices to your Account and restrict the use of your Account to no more than two unique devices at any time where we reasonably believe that multiple devices have been used in breach of these Terms.

## 5 MAKING A DEPOSIT OR A WITHDRAWAL

- 5.1 A Member may, at our discretion, deposit Australian Dollars to their Account using credit card, debit card, Bpay (Australian residents only), POLI (Australian residents only), cheque, money order or electronic funds transfer (EFT) (**Payment Method**). VikingBet reserves the right to add, remove or restrict Payment Methods in general and specifically to any Member or group of Members.
- 5.2 You acknowledge and agree that the Account is only available for the sole purpose of Betting. Where VikingBet reasonably believes that funds deposited into an Account are for a purpose other than Betting, we reserve our right to decline any deposited amounts, return the funds to the Payment Method used (where possible), and close the Account.
- 5.3 You agree that when you deposit funds into your Account via any approved deposit methods (as set out in clause 5.1), you are purchasing from VikingBet a top up to your Account balance.
- 5.4 You agree and acknowledge that any deposits and withdrawals from your Account must be from/to a verified Payment Method unless otherwise determined by VikingBet in its absolute discretion.
- 5.5 If VikingBet discovers that an Account is not funded by a Payment Method held in the Member's name, or they are not demonstrably and expressly authorised to use the Payment Method, VikingBet may return the funds to the same Payment Method used to make that deposit. If this determination takes place after Bets have been placed, VikingBet reserves the right to void any resulted or pending Bets on the Member's Account. If VikingBet determined that there is not enough information to prove the owner of a particular Payment Method, we reserve the right to request certified documentation as proof of ownership or a right to use a Payment Method prior to making any decision.
- 5.6 You consent to allow VikingBet or its authorised representative to make direct contact with your financial institution to confirm any transaction that requires clarification or confirmation of a right to make the payment, or its correctness. VikingBet will only use this right sparingly and where it is reasonable to do so.
- 5.7 VikingBet requires a Member to "turnover" or Bet through any deposit into their Account at least once before a withdrawal request is made by the Member. For example, if you deposit \$100, you must place \$100 in Bets before withdrawing any winnings.

- 5.8 If a Member is restricted, or an error takes place during their Bet, or for any other reason as determined by VikingBet, VikingBet reserves its right to waive the obligation in clause 5.7 in its absolute and reasonable discretion.
- 5.9 VikingBet may, at its discretion, require a Member to deposit funds back to its original Payment Method.
- 5.10 VikingBet reserves its right to investigate any potentially suspicious or fraudulent withdrawal or attempted withdrawal of a Member's funds (**Investigation**). Such an Investigation may include or involve:
- (a) requesting proof of deposit or withdrawal bank account information to verify that the information provided is true and correct (including the methods described in clause 3.9); and
  - (b) direct contact with a financial institution as described in clause 5.5 to establish whether the withdrawal is authorised and correct.
- 5.11 VikingBet reserves the right to prevent any withdrawal, pending the outcome of an Investigation. Following an Investigation, we may permit, cancel, or reverse the deposit/withdrawal.
- 5.12 VikingBet does not charge Members credit or debit card deposit or withdrawal fees. However, we may charge an AU\$25.00 transfer fee for an international transfer requested. This fee will be deducted from the amount requested by the Member. Any other banking fees associated with funding or withdrawing monies associated with a Member's Account is the sole responsibility of the Member. If VikingBet is charged, or is notified of a potential charge, we reserve our right to pass on any such charge to the Member. VikingBet reserves the right to pass on any incurred transaction fees to Members who we determine make deposits into their Account for purposes other than Betting.
- 5.13 A Member agrees that they, as the authorised Account holder, you are the only person permitted to withdraw, deposit or deal with monies on the Account, or otherwise use the Account (**Transact**). Members must use their own or joint deposit and withdrawal methods. You must not allow a third party to use your Account or Payment Method to Transact on your Account. Third parties should not attempt to Transact on a Member's Account not in their name.
- 5.14 VikingBet reserves its right to remedy the situation if it identifies any third party Transaction on an Account in its absolute discretion. VikingBet may take any further action it deems necessary to fairly and reasonably remedy any Transaction that has occurred. Members accept that VikingBet will review each situation on a case-by-case basis taking into account deposits, withdrawals, Bets and any other information available.
- 5.15 You agree that where, by determination of VikingBet, an Account has not been used in good faith (including where a person fails to disclose their identity or payment information), VikingBet may refuse future transactions on that Account. Further, VikingBet may allow or retrospectively void existing transactions on that Account. You are welcome to request clarification of any decisions made by VikingBet in relation to an

Account suspension or closure. VikingBet will endeavour to answer your question by response within a reasonable time frame (usually within thirty (30) days).

- 5.16 VikingBet may set limits on deposits and further restrict withdrawals on a Member's Account where they have not met KYC and Identification and Verification requirements set down out in clause 3, until such time that VikingBet is satisfied that the Member has met such requirements.
- 5.17 Additional Accounts in a Member's name (including any Account you opened with misspellings or different variations of your name) are not allowed and VikingBet will actively seek to discover abuse of this clause 5.17. Any discovery of a breach of this clause 5.17 will lead to the suspension and cancellation of the Account, without prior notice to the Member. Irrespective of this, a Member who has opened multiple Accounts will be responsible for any transactions that occur in relation to those Accounts. All restrictions, self-imposed or otherwise that apply to a Member's principal account will likewise apply to a Member's additional Accounts.
- 5.18 Credit Betting is not permitted.
- 5.19 Interest is not paid on monies held in your Account.
- 5.20 If VikingBet suspends, closes or cancels your Account in accordance with these Terms, you will be:
- (a) unable to further Transact on your Account;
  - (b) entitled to the reimbursement of any undisputed Account balance you may have. This will be accomplished via a verified Payment Method attached to the Account, or other method determined by us; and
  - (c) where you have placed Bets in relation to events which have not yet taken place at the time of suspension or termination of your Account, we reserve our rights to treat such Bets as void and return the stake to you.

## **6 CHARGE BACKS OR REVERSAL OF DEPOSITS**

- 6.1 You agree and warrant that no charge back or other cancellation of deposits will be made relating to your Account without the approval, or prior approval, of VikingBet. Should a charge back or cancellation circumstance occur, you indemnify VikingBet from all costs, fees and liability that may arise from such an event, including but not limited to the costs associated with recovering such amounts.
- 6.2 Where you dispute a transaction relating to a third-party such as BPAY or a banking institution, we may elect to temporarily suspend your Account and conduct an investigation into the transaction. We reserve our rights to affect any suspension immediately, without notice and to further seek to recover any cost relating to that investigation from you.
- 6.3 We reserve the right to request information in relation to the point of origin of funds in any transaction that we believe may be suspicious or require further investigation. Information requested to prove where funds have originated may include certified copies

of bank statements and may occur prior to you withdrawing funds or requesting funds to be withdrawn. Where we are of the belief that any withdrawal request is unauthorised, we may decide not to return funds, and/or, void Bets we deem to be associated with unauthorised funds.

## **7 ILLEGAL, FRAUDULENT OR UNAUTHORISED TRANSACTIONS (OR SERIES OF TRANSACTIONS)**

- 7.1 Where we reasonably believe deposited funds or winnings associated with an Account are by an unauthorised or fraudulently used Payment Method, we reserve our right to report the fraud or misuse and/or to close the Account. All misuse, unauthorised use or fraudulent conduct associated with a Payment Method will be referred to the appropriate law enforcement and/or other authorities and the provider of the Payment Method.
- 7.2 Further, VikingBet may employ third party services, or technology to track and retain technical information on a device used in breach of this clause 7 or a Member's Account more generally. Where an Account has not been operated in good faith, we may use this information to determine any investigation undertaken to assess bonus or Betting abuse, multiple Account usage, Payment Method abuse and the like.
- 7.3 To detect fraudulent activity we may, from time to time, monitor one or more Accounts we deem to be displaying unusual activity. We reserve the right to close an Account, suspend Account (pending a full investigation), and void transactions and Bets as we see reasonably necessary where we believe there to be a risk of fraudulent activity involved.
- 7.4 Where we detect or become aware of any system that is being used to exploit variation in odds for a particular Sport or Race, between two or more bookmakers, in order to guarantee a profit irrespective of the outcome of the event (**Arbitrage Betting**), and that system is deemed by us to have a harmful or negative affect on us, we reserve our right to suspend or cancel your Account pending an investigation into the conduct that we believe constitutes the Arbitrage Betting. This may or may not involve voiding any or all Bets made by such persons reasonably determined to be involved in Arbitrage Betting.

## **8 LIVE STREAMING OF SPORTS OR RACING**

- 8.1 We do not allow live or "in play" sports Betting within Australia, which is prohibited and unlawful except where we take Bets over the telephone. Other jurisdictions may allow "live streamer" Betting and you may be able to view live competitions or events on our Website or group of websites.
- 8.2 VikingBet does not have the right to, or own any, live feed media and any such media that may be streamed through third party services such as Twitch, Youtube or other providers (**Streaming Services**). These Streaming Services are subject to the individual rules of that Streaming Service. VikingBet is not responsible for the views or opinions presented by any streamer and will not accept responsibility or liability for any view or opinion expressed in Streaming Services or any other media that VikingBet may facilitate but not control. For example, message boards or other community-based communication avenues.

- (b) where you structure your Bets (including by placing those Bets as smaller Bets on the same event and for the same outcome in quick succession) in a manner which, in VikingBet's reasonable opinion, appear to be for the purpose of ensuring that those Bets are accepted by VikingBet in circumstances where they otherwise might be rejected (for commercial and other reasons);
- (c) where you are or may be Betting in breach of these Terms (including but not limited to, engaging in Masking or Arbitrage Betting) and any applicable law;
- (d) you access or use the Website utilising any other type of automated, robotic, systematic, artificial, obscured, or computerised method(s). This includes, without limitation, the use of data extraction or scraping; and
- (e) where, at our sole discretion, any proposed Bet may present a risk that we consider to be unacceptable.

10.4 When you make a Bet via the Website, the Bet is deemed to be valid only when:

- (a) the Bet has been paid in full by you;
- (b) the Bet has been accepted by us; and
- (c) the Bet appears as an accepted Bet on your Account.

10.5 Irrespective of the appearance of the acceptance of a Bet it must actually be accepted by us after being processed through our system and receiving a ticket number, and we reserve the right to reject, void or stop any given Bet without notice.

10.6 You are solely responsible for entering and choosing the particulars of your Bets. You acknowledge that, in placing your Bet, you are not relying on any statement of any of our employees or representatives relating to the subject matter of the Bet. We take no responsibility for Bets made in haste, error, carelessly or otherwise and you indemnify us for any such error you make in Betting on your Account. We are under no obligation to cancel Bets that have been validly placed and accepted in accordance with these Rules.

- 10.7 Despite clause 10.6, we may be able to cancel or change a Bet made in error, or otherwise, at our sole discretion. In these circumstances, we may void the Bet and request that another Bet be made in its place. A pattern or suspected pattern of behaviour of a Member that seeks to alter or avoid Bets by claim of error will be deemed to be inconsistent with these Terms. We may take any such lawful action we deem reasonable to address this type of conduct, including limiting, suspending, or closing your Account.
- 10.8 We reserve the right to suspend or prohibit further Bets on any event at any time and without prior notice to you at our sole discretion. Should an event be suspended or access to it prohibited, any attempted Bets placed via the Website that follows the suspension or access prohibition will be rejected.
- 10.9 Bets will be accepted up to the relevant start time, being:
- (a) the commencement of the event; or
  - (b) such other reasonable start time as determined by VikingBet on the basis of the information available on the event at the time.
- 10.10 Where a Bet is inadvertently or erroneously accepted after the relevant start time (as described above) then at the absolute discretion of VikingBet the Bet will be deemed to have been made invalidly, voided and the stake refunded the Member. For the purpose of this clause “inadvertently” means that VikingBet had no knowledge that the event in question had started and the Bet was accepted in good faith.
- 10.11 VikingBet accept no responsibility or liability for the failure of telecommunication or information technology-based systems not under our control that prevent or impede the correct placing, accepting, recording, confirmation or notification of transactions. We will not, under any circumstance, be responsible or liable for damages or losses that are deemed or alleged to have resulted from or been caused by the Website, or any of its content, including but not limited to any errors or omissions in content.
- 10.12 Where we do provide a “cash out” service, we may allow a Member the option to cash their Bet out prior to the conclusion of an event, match, competition etc.
- 10.13 We reserve our right to keep a recording of any customer service or related telephone call between us and a Member. Alternatively, in relation to our “Chat Support” text service, we reserve our right to retain and copy the history of transcripts that relate to any communication in text format. Similarly, we may retain e-mail chain or text message history between us and you. You agree to such recordings, transcripts, or email history being retained and/or copied by us and at our sole discretion (**Recorded Material**). Where a Dispute (as defined in clause 13) arises which remains unresolved between us and you, you agree to allow us to rely on the Recorded Material as evidence and present that Material to an adjudicator. An adjudicator may determine the Dispute in accordance with these Terms. All Recorded Materials will be retained by us consistently with our privacy obligations as described within our Privacy Policy.
- 10.14 Subject to the requirements of the Minimum Bet Limits, as set out in clause 28.3 in Part B of the Betting Rules, the current minimum Bet is AU\$0.50 and the maximum is AU\$500 (**Bet Thresholds**). We reserve the right to alter the Bet Thresholds at our sole discretion

and without notice to you. We maintain Bet Thresholds to protect our risk and that of our Members.

10.15 We reserve our right to provide any Personal Information, Betting data or information to Australian principal racing authorities, an Australian governing sporting authority and or to any other lawful regulator, including but not limited to AUSTRAC and other related law enforcement agencies (collectively, an **Authority**). You consent to any such information being provided when there is a reasonable and or lawful basis to do so. An Authority may include bodies that oversee the rules and regulations of a sport and may possess sanctioning powers. Examples include but is not limited to Cricket Australia, Australian Football League, Racing New South Wales, Greyhound Racing Victoria. We may provide the following information to an Authority:

- (a) any record, Recorded Material, or data in our possession or control that relates to Betting transactions of the Member; and
- (b) the name, contact details and similar identifying information in our possession or control relating to that Member.

10.16 Any such information provided to an Authority under clause 10.15 will only be provided to assist a legitimate inquiry conducted by an Authority, where required under a written agreement with the Authority and authorised under our Privacy Policy, or where we reasonably believe that our obligations under any relevant legislation or law requires us to provide it to the Authority. For example, under the AML/CTF Legislation.

## 11 ERRORS

11.1 We endeavour to ensure that no errors are made in setting markets including but not limited to errors in prices offered, wrong dividends or lines, available selections offered, Bets accepted on an Account or any errors in exclusions for certain events. We reserve the right (in good faith) to correct errors, or other genuine technical, human or other error or mistake that occurs in setting a market or processing a transaction (including where a Bet has been inadvertently accepted by VikingBet after the commencement of a race or event). This includes voiding any Bets or parts of Bets prior to or after the commencement or conclusion of a relevant event or, where appropriate, adjusting the bet at the correct odds, in circumstances where a Bet has been accepted and where there has been a material technical, human, or other error in setting a market and/or in accepting a Bet (**Material Error**). Without limiting the steps that VikingBet might take, VikingBet may adjust your Account balance to the extent necessary to address the Material Error.

11.2 Where a Bet is voided or adjusted by way of an error made by us prior to an event commencing, we will endeavour to try to contact you by e-mail, text message, or a notification on your Account to inform you that the Bet has been voided or an adjustment has been made, the reason for the adjustment, and the amount adjusted.

11.3 For the purposes of this clause 11, an error in setting a market or accepting a Bet will be a Material Error in the following circumstances:

- (a) the price struck for a Bet is materially greater than a price previously offered on the same or a similar market or contingency by VikingBet or any competing bookmaker;
- (b) there is an error in the price of at least one selection which forms part of a multi Bet (parlay), the combined effect of which results in a materially erroneous price;
- (c) the available selection(s) on a market are so different from the selection(s) previously offered on the same or a similar market by VikingBet or any competing bookmaker; or
- (d) VikingBet accepts bets on closed or suspended markets;
- (e) incorrectly calculating or settling an amount above what is legitimately due on the face of the Bet record or ticket (e.g., a refund or dividend);
- (f) any other situation in which a reasonable person with a good understanding of wagering would reasonably understand that there was an error in a relevant market or in the acceptance of the Bet.

11.4 A Material Error may, depending on the circumstances, mean that we wrongly pay an amount to you, or we may pay you more than the amount which you are properly entitled. In this situation, you agree to repay us immediately on request from us the amount which has been wrongly paid or overpaid to you. When making such a request, we will detail the Material Error and articulate how we have calculated the sum owing.

- (b) providing a self-exclusion option. You may stop Betting for a period of time or permanently if gambling has become an issue for you, or is causing you or others around you harm. You may cease gambling for an elected period through our Responsible Gambling tab under your Account which will offer a range of periods (one day to permanently).

- (c) subject to these Terms, if we are of the opinion that you have, or are deliberately, attempting to circumnavigate imposed restrictions (by way of additional Accounts or otherwise) and have placed Bets while excluded we will:
  - (i) void open or pending Bets and the original stake will be returned to your Account;
  - (ii) resulted Bets will stand; and
  - (iii) the balance of your Account will be returned to you.

12.4 Pocket Punter's marketing and communication is aimed at those over 18 only. Pocket Punter does not market to Minors or individuals for whom gambling has become a problem.

If we do this, we will remit the total balance of your Account to you (less any amounts which we are entitled to deduct in accordance with these Terms).

28.3 If all legs in a Multi Bet win then the Multi Bet is settled as a winner and paid out at relevant odds, regardless of the number of winners.

- 28.4 If any leg in a Multi Bet loses then the Multi Bet is settled as a loss regardless of the other legs.
- 28.5 If any leg is postponed, cancelled, voided, or otherwise includes a non-runner and VikingBet determine that it is no longer to be included in the Multi Bet (**Change**) then the odds for that Changed leg are adjusted to \$1.00 (i.e. it does not impact the Multi Bet outcome but is just removed from the calculation of odds) and the total Multi Bet value is recalculated. Clause 28.3 and 28.4 then apply to the recalculated Multi Bet. The Multi Bet will still stand.
- 28.6 If all legs in a Multi Bet become a Change leg then the Multi Bet is void and the stake refunded.
- 28.7 VikingBet accepts Multi Bets up to 20 legs, including a combination of Racing and Sport events.
- 28.8 VikingBet's maximum dividend for this product is \$1,001.
- 28.9 Protest payout does not apply to Multi Bets, that is, any Multi Bet payout will be based on the final official placings regardless of any protest promotion or otherwise.
- 28.10 VikingBet's maximum payout on Multi Bets are as follows:

*Thoroughbred Racing*

Australian Metropolitan: \$40,000

Australian Provincial: \$20,000

All Other: \$10,000

*Greyhound Racing*

Australian: \$10,000

All Other: \$5,000

*Harness Racing*

Australian: \$10,000

All Other: \$5,000

*Cross Code Sport Multi-bet*

All: \$5,000

- 28.11 Should you place a subsequent tote Multi Bet that reflects the initial tote Multi Bet and will result in you exceeding the Multi Bet payout maximum set out in these Betting Rules, any subsequent tote Multi Bets will be void and wagers refunded.
- 28.12A Multi Bet may include a Blended Bet leg (defined at Betting Rule 30). For a Blended Bet leg to be included in a Multi Bet, the Blended Bet leg price must be equal to or more than \$1.10. The following rules also apply where a Blended Bet leg is included in a Multi Bet:
- (a) in the event that a selection in a Blended Bet leg is scratched from a race, the odds of that leg are changed to \$1.0 and the total Multi Bet value is recalculated;
  - (b) in the event of a dead heat involving a runner in the Blended Bet leg, and a runner not in the Blended Bet leg, the Blended Bet stake will get divided by the number of winners in the dead heat and paid out at the Blended Bet odds on the updated stake value;

- (c) in the event of a dead heat between a runner in the Blended Bet leg, and another runner from the same Blended Bet leg, the Blended Bet leg will be paid in full; and
- (d) where relevant deductions are applied to the individual runners, then the Blended Bet leg odds will be recalculated to apply the deductions to the Blended Bet odds as if the odds was not a Blended Bet.

*For example, if horse 1 is \$10 and horse 2 is \$10, then the Blended Bet selecting horse 1 and 2 to win will be \$5. If horse 1 and 2 run a dead heat for first, the Blended Bet will pay \$5. If horse 1 and 3 run a dead heat for first, the Blended Bet will pay \$2.50. If there is a deduction applied in relation to horse 1 of 15 cents and it wins, then the Blended Bet will pay \$3.75.*

## 29 Same Game and Same Race Multi Bets

- 29.1 Same game multis (**Same Game Multis**) are Multi Bets where the selections relate to the same event (e.g., all legs from the one game of football). Same Game Multis may be offered by us on selected sporting events (e.g., AFL, NRL and NBA) at our absolute discretion.
- 29.2 Same race multis (**Same Race Multis**) are Multi Bets where the selections relate to runners finishing first, second, third or fourth in the same race. Same Race Multis may be offered by us on select Australian and international racing events at our absolute discretion.
- 29.3 Unlike regular Multi Bets, the odds for Same Game Multis and Same Race Multis are not calculated by multiplying the odds for each individual selection. Instead, each of the selections made by you are sent to a pricing engine which calculates the odds for all of the selections to happen in the same race or game, based on the inter-relation of the selections in the Same Game Multi or Same Race Multi (as relevant).
- 29.4 For other related contingencies Betting Rule 31 will apply. The following will apply to Same Game Multis and Same Race Multis:
  - (a) Rules **Error! Reference source not found.** to **Error! Reference source not found.** will apply except for:
    - (i) the odds for Same Game Multi and Same Race Multi are calculated based on the interrelation of the selections in the bet and not a simple multiplication of odds for each selection; and
    - (ii) in the event one or more selections are voided in a Same Game Multi or Same Race Multi Bets, the bet will be cancelled, and the stake refunded to the Member.
  - (b) Same Game Multi and Same Race Multi Bets cannot be Cashed Out.

  - (d) Deductions will apply to Same Race Multis where scratching(s) (i.e., of runners other than the selections in the Same Race Multi) occur after the bet has been placed.

## 30 Blended Bets

- 30.1 A blended bet involves a customer selecting multiple runners to win (or any other betting option made available by us at our sole discretion) from the same event and is offered at a single bundled price if any of the selected runners are successful (**Blended Bet**).
- 30.2 The minimum and maximum number of selections that a Member may include in a Bundle Bet for an event will be determined by us in our sole discretion.
- 30.3 For a Blended Bet to be placed, the Blended Bet price must be equal to or more than \$1.10.
- 30.4 A Blended Bet may only be placed on selected Win Only markets and selected racing events, at our absolute discretion.
- 30.5 In the event that a Blended Bet selection from the race is scratched, the Blended Bet will be cancelled and the stake refunded (unless the Blended Bet is a leg of a Multi Bet).
- 30.6 In the event of a dead heat between a runner selected in the Blended Bet, and a runner not selected in the Blended Bet, the stake will get divided by the number of winners in the dead heat and paid out at the Blended Bet odds.
- 30.7 In the event of a dead heat between a runner selected in the Blended Bet, and another runner selected in the same Blended Bet, the Blended Bet will be paid in full.
- 30.8 Where relevant deductions are applied to the individual selected, then the Blended Bet odds will be recalculated to reflect the deductions to be applied.

## 31 Related Contingencies

- 31.1 A related contingency is a Multi Bet where the outcome of one selection can contribute to the outcome of another selection (e.g. a two leg Multi Bet containing a AFL team to win the AFL Semi-Final combined with the same AFL team to win Premiership).
- 31.2 VikingBet reserves the right to determined which bets have related contingencies.
- 31.3 VikingBet does not accept a Multi Bet which has a related contingency and reserves the right to void, at its discretion, any Multi Bets placed on related contingencies. Bet combinations with related contingencies will be automatically blocked and unavailable to place in a Multi Bet during regular Bet placement. In instances where a Bet containing a related contingencies has been accepted in error, VikingBet will completely void the Multi Bet and return the stake.
- 31.4 In certain instances, VikingBet will make available combinations of permitted related contingencies for customers to place bets on.

## 32 Dead Heat Rule

- 32.1 A dead heat occurs when two or more competitors are officially declared to have finished equal (**Dead Heat**). This applies to both winners and place getters in a single event. Unless otherwise stated, any reference to the "Dead Heat Rule" (or the like) is a reference to the following:

- (a) in the event of a Dead Heat where dividends were not offered by VikingBet on such an outcome, Bets will be paid at the face value of the ticket (total payout figure including the initial stake) (**F**) divided by the number of competitors tying for that place (**C**). Noting a payout on a Dead Heat will not be less than the customer's stake. That is:

$$\frac{F}{C}$$

- (b) in the event of a Dead Heat where odds were offered by VikingBet on such an outcome (often listed as a draw), then all win or place bets are losers and the draw or Dead Heat option is paid as the winner.

### 33 Participation in event

- 33.1 Members who are participants in, or are associates of participants in, certain events (**Associated Events**), are likely to be subject to the rules, regulations, codes, agreements and/or guidelines made by the governing sporting body or racing industry that administers those Associated Events (**Regulations**).
- 33.2 If a Member is subject to the Regulations, it may only place Bets in accordance with those Regulations. If those Regulations preclude the Member from betting on events or any aspects of the Associated Events, the Member agrees that they will not Bet on those Associated Events or aspects of those Associated Events (as applicable).
- 33.3 The Member acknowledges and agrees that VikingBet will provide information to governing sporting bodies, racing industries and government authorities (**Authorities**) in accordance with written contracts between VikingBet and those Authorities in relation to the conduct of betting services and/or the supervision of the betting operations of VikingBet (**Authorities**), in respect of persons:

  - (d) whom VikingBet or an Authority believe have made unusual or suspicious Bets or have unusual or suspicious Betting trends or movements or other information which lead it to query the integrity of any of the events or Associated Events, or a person subject to the Regulations.

### 34 General Rules

- 34.1 Only points scored in the respective round / period / match will counts towards settlement of the relevant market.
- 34.2 The listed dates and times of fixtures are purely informational. VikingBet cannot guarantee accuracy. An incorrectly posted date and/or time is not grounds for voiding bets.

- 34.3 If a match, race, or event does not commence within 30 hours of its officially planned starting time, then all bets on that match, race or event will be void unless otherwise specified in these Betting Rules.
- 34.4 The result of a market will be the final determination by the governing body promptly following the event's completion. VikingBet does not recognise future protested or overturned decisions, subsequent investigations, or disqualifications.
- 34.5 The result of Bets on a game, match or event suspended after the start of competition will be decided according to the betting rules specified for that game, match or event (**Specific Betting Rules**). If nothing is specified in such Specific Betting Rules, clause 24 will apply.
- 34.6 Whenever the Authority in relation to the relevant event deems it fit to include any necessary rounds, matches, or series of matches following the end of the regular season (e.g. Play-offs, Play-outs, Postseason) in order to determine the classification, winners, League winners, promotion/relegation, etc., VikingBet will take into account the results and outcomes deriving from these matches for settlement purposes (when the selections/Bets refer to the final League classification, promotion, relegation, etc.).
- 34.7 All Bets on a market will be void if the venue is changed unless otherwise captured in these Betting Rules.
- 34.8 If a market includes exactly one or two names of competitors, then each listed competitor must participate in the match, game or event for the Bet to stand. If each listed competitor does not commence the match, game or event the bet will be void. If there are three or more competitors, this Rule is not relevant.
- 34.9 If a market is offered with 'the field' as a Betting option, the named team or competitor must beat every other competitor for a Bet on that competitor to win. If the listed competitor ties for a win, Bets on the matchup will be void;
- 34.10 Misspellings, typographical errors and teams changing names are not ground for Bets to be void as long as it is clear, in VikingBet's reasonable opinion, based on the context what the intended market was.
- 34.11 All settled markets are final after 72 hours and no queries will be entertained after that period of time. Within 72 hours after markets are settled, VikingBet will only reset or correct the results due to human error, system error or mistakes made by the referring results source, in accordance with the Terms.

- 34.14 Unless otherwise agreed, the maximum amount that may be paid out on any Bet (either single, exotic or Multi Bet) is \$15,000.
- 34.15 Regardless of clause 34.14, the maximum Bet that VikingBet is compelled to accept, at the odds it offers, is that Bet amount prescribed by law that when applied to the applicable odds offered and the circumstances of the Bet, would result in the maximum amount VikingBet is compelled by law to pay out on any Bet or series of Bets (**Betting Limit**).

- 34.16 "All-In Betting" means regardless of whether a competitor starts or completes the event in which a Bet is placed, all Bets stand, and no refunds will be payable or deductions apply.
- 34.17 In the case of all sports or other contests that involve a set length of play or time limit, players must play and the event must run to the conclusion of the designated time, to be considered official for Betting purposes unless declared otherwise by the official governing body for the relevant sport or captured in the Specific Betting Rules.
- 34.18 Subject to the Specific Betting Rules, overtime periods or extra time periods will count towards the final result.
- 34.19 In case of any contradictions in these Betting Rules and the Specific Betting Rules, the Specific Betting Rules will take precedence. In any case where there is ambiguity regarding the outcome VikingBet's decision will be final.

For matches without extra time, a draw is always included for margin betting and any bets placed on either team to win by a margin will be considered losing bets in the case of a draw. In these matches, any bet placed on either side at the head to head option is paid in accordance with the 'Dead Heat' rule i.e. half the face value of the ticket.

Points deducted because of breaches of rules or regulations are excluded for resulting purposes. - 3.10 All bets placed on the Top-Vic and Top Non-Vic markets are resulted based on the following:
  - (a) when determining the Top-Vic and Top Non-Vic side for the season, the official AFL ladder will be used, including going to percentage where two or more teams finish on the same number of points;

  - (c) all matches must start on the scheduled date for bets to stand. If a game has been postponed or cancelled then all bets are void.
- 4.3 In the event of a disqualification or retirement, all bets will be void unless the settlement of the bet has already been determined (e.g., if a game is abandoned in the 3rd game in a best of 3 game match, then bets on Over/Under Total Games are settled as winners/losers respectively since the match has gone to a decisive third game).

If any game is cancelled or postponed then all bets for that game are also void. The bet is void regardless if the days totals have already been exceeded. If there is a pitching change this does not affect settlement for total days bets.
- 5.9 In the event of double-headers in the Australian Baseball League (ABL) or any other applicable league, all Game Number One are seven inning games and are priced and settled accordingly. In the event of the match being scheduled for the full nine innings all normal rules apply.

- 8.3 If a price is offered for the Draw, in the event of a Draw all wagers on either boxer to win will all be losing bets and the Draw will be the winning option. If there is a "technical draw" determined by the referee due to an accidental cut or similar, then the bout is deemed a no contest and all wagers will be refunded.
- 8.4 In "Pick the Round" betting, if a boxer fails to answer the bell, the fight will be deemed to have ended in the previous round.
- 8.5 If the scheduled number of rounds are changed, then all wagers are void and refunded.
- 8.6 The official stopping of a round before the sounding of the bell does not constitute a full round. A full round is only considered for wagering purposes to have been completed when the bell sounds signifying the end of the round.
- 8.7 An Over/Under (total) listed on a fight represents the total number of completed rounds. The halfway point of a round is at exactly one minute and thirty seconds into a three-minute round. Thus, 9 and a half rounds would be one minute and thirty seconds of the 10th round. The halfway point of a two-minute round is at the one-minute mark.

## **10 CRICKET**

### **10.1 General**

- (a) All matches are settled on the official result of the cricket governing body for that match.
- (b) In Test Match cricket if the match finishes in a tie (i.e., the two teams having the same score), all bets on either team are paid as per the Dead Heat rule, while bets on the Draw are resulted as losing bets.

- (c) If a match is officially abandoned, (e.g., due to dangerous pitch conditions etc.) then all undecided bets on the match are void. Bets on Domestic First-Class matches (four or five day matches) will be paid on most points by the team.
- (d) In all forms of limited over cricket, if the match finishes in a tie, all bets are paid as per the Dead Heat rule, unless a subsequent tie-breaker method is used to determine the winner (e.g. Super-Over, Bowl-off etc). Therefore, the outcome will be settled on the result of this method. If the match is declared a 'no-result' bets are void. Note that all exotic betting options are resulted prior to any tiebreaker. If a match is transferred to a reserve day, all Bets will stand.
- (e) Should the intervention of rain (or any other delay) result in the number of overs being reduced from those initially scheduled at the time the bet was accepted, then all open Bets will be declared void granted that the reduction of any innings is of:
  - (i) one or more overs in a Twenty 20 match; and
  - (ii) two or more overs in other limited overs matches.

In any case that the reduction of any innings is less than one over in a Twenty 20 match, and less than two overs in other limited overs matches, bets will stand. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly. Both players (or the player if only one player in bet type) must reach the crease or bowl a delivery for bets to stand. In first ball dot market, a wicket is not deemed a "dot".

- (f) Should the intervention of rain (or any other delay) result in the number of overs being reduced from those initially scheduled at the time the Bet was accepted, then all open Bets will be declared void granted that the reduction over the duration of the match is:
  - (i) four overs in a Twenty 20 match; and
  - (ii) 20 or more in other limited overs matches.

In a case that the reduction over the duration of the match is less than that set out above Bets will stand. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such Bets, then these will be settled accordingly. Both players (or the player if only one player in bet type) must reach the crease or bowl a delivery for Bets to stand.

- (g) Player must be in Starting XI for Bets to stand, but they do not have to face or deliver a ball. In the event of a tie, Dead Heat rules apply. For limited overs cricket, 50% of originally scheduled overs for the nominated innings must be completed for Bets to stand, unless target has been reached or team has been bowled out. In the event no wicket is taken at all in an innings, then all bets on "Most Wickets" markets for that innings are void. Bets on a player will be void if that player is not in the Starting XI.
- (h) The nominated team is the team batting. If there is any reduction in overs for the nominated team then all bets are void, unless the outcome has already been reached prior to any reduction in overs.

- (i) Player performance is an accumulation of points from their match performance. Points are the official result published on [espnccricinfo.com](http://espnccricinfo.com). One point per run scored with the bat, 10 points per catch taken in the field, 20 points per wicket taken with the ball, 25 points per stumping carried out by the wicket keeper, 30 points for a caught and bowled.
- (j) Super over points do not count towards Player Performance Points.
- (k) The nominated team is the team bowling. If there is any reduction in overs for the nominated team then all bets are void, unless the outcome has already been reached prior to any reduction in overs. Should the intervention of rain (or any other delay) result in the number of overs being reduced from those initially scheduled at the time the bet was accepted, then all open bets will be declared void granted that the reduction over the duration of the match is four overs in a Twenty 20 match, and 20 or more in other limited Overs matches. In a case that the reduction over the duration of the match is less than 4 overs in a Twenty 20 match, and of less than 20 overs in other limited overs matches bets will stand. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly.

## 10.2 Test Match

- (a) If there is any reduction in overs for the nominated team then all bets are void, unless the outcome has already been reached prior to any reduction in overs. If a nominated batsman does not reach the crease, nor a nominated bowler bowl a delivery all bets on that player will be void.
- (b) Match result is paid on the official result. If your selected player is not in the Selected XI, the bet still stands.
- (c) For options with 2 players involved, if either player is not in the Starting XI, or reach the crease (but not necessarily face a ball)/bowl a ball all bets are off.
- (d) If a bet is involving a single player and fails to reach the crease/bowl a ball all bets will be refunded.
- (e) Market will be settled on if a player hits a six and takes a wicket. Players named in the starting eleven that do not bat/bowl are deemed to have taken part and bets on any such players are losers. Bets placed on any player not named in the starting eleven will be refunded. If the match loses more than 20% of overs then bets will be refunded unless outcome has already been reached. Super Over Catches and 6's do not count.
- (f) Bets refunded if either player doesn't open the innings in the openers markets: if rain intervenes and either batsman is not out for under 10 runs and no outcome has been reached, bets are void.
- (g) Bet is paid on the first boundary scored off the bat, for clarity any leg bye, bye, batsman running four do not count and any fours scored in these methods are disregarded for settlement purposes on this bet type.

- (h) Man of the Match will be paid first as per espncricinfo.com scorecard alternatively by official post-match presentation if not available on espncricinfo.com. Bets refunded if a selected player is not in Starting XI. Dead Heat Rule applies for joint winner. Bets void if no winner.
- (i) Pay on the team which has the most batsmen dismissed by Run Out. For the avoidance of doubt, if a customer backs "Australia (Most Run Outs)" and three Australian Batsmen are run out, and one English batsman is Run Out, the bet will be deemed a winner. Should the intervention of rain result in either side losing two or more overs from their innings, all bets on the market will be void.

  - (d) If a Presidential election is delayed for any reason, all bets will stand and have action if an election is held within six months of the original scheduled polling day, or else the bets will be void.
  - (e) Unless, otherwise stated, bets accepted in error after the polls have opened on the defined election date, may be void.
- 12.9 **Australian Elections**

In cases where there is any ambiguity relating to the result, we reserve the right to wait for the outcome of the subsequent Electoral College vote (usually in the December of that election year) and, if necessary, congressional counting of the electoral votes (usually in the January immediately following the meeting of the electors). If a different individual is ultimately inaugurated as President, that will not count as a result for settlement purposes.

VikingBet is not obliged or required to accept a Bet for more than the applicable MBL for the relevant jurisdiction at the relevant time.
- 29.4 Bets will be settled as per the official decision of Stewards on race day. Where a runner is subsequently disqualified or placing amended at a later date for any reason, the official result as declared by the Stewards on the day of the race will stand.
- 29.5 Content such as form guides and speed maps are an accessory that may contain errors. While we try to correct reported faults or incorrect content as soon as we reasonably can, we make no guarantee that our Betting platforms and any content within them are error free.
- 29.6 Where there are eight or more runners in a race, at the time a fixed odds Bet was made, a place dividend will be paid on first, second and third places.
- 29.7 Where there are seven, six, five, four or three runners in a race, at the time a fixed odds Bet was made, a place dividend will be paid on first and second places only.
- 29.8 When a Member has Bet on a Tote based product, Place wagers will pay down to however many placing's the major Australian TAB's determine as appropriate for that bet type. Major Australian TAB's are defined as the Victorian TAB (**VIC TAB**), the NSW TAB (**NSW TAB**), the Queensland TAB (**QLD TAB**).
- 29.9 If late scratching of a runner or runners reduces the field below three runners, all fixed odds bets are void (regardless of when the bet was placed) and will be refunded in accordance with these Rules.

### **30 Transfer, postponement, or abandonment of race**

- 30.1 Where a race meeting is transferred from one racecourse to another, all betting rules will apply as if the meeting was not transferred. In addition, the MBL will be for the course on which the meeting should have been held.
- 30.2 If a race meeting is postponed or abandoned, all single Bets on the postponed meeting are cancelled and stakes refunded. Affected Multi Bets will be recalculated excluding that leg.
- 30.3 Notwithstanding the above, regardless of whether a Futures event (All in betting) has been abandoned, postponed, or transferred from the original date, all Bets stand until the completion of the event.

### **31 Dead Heat**

- 31.1 In the event of a Dead Heat or Draw, where such an option was not offered for Betting purposes, the ticket will be paid out in accordance with the Dead Heat rule. If the bet was placed at the tote product, VikingBet pays on the re-framed TAB dividends.

### **32 Scratching and Deductions**

- 32.1 If a runner is scratched, all Bets placed after the declaration of the final field, will be refunded on that runner (providing the Bet was not placed prior to the barrier draw on an "All-in" basis). All other runners will be subject to a deduction, applicable to the face value of winning Bets where the Bet was placed at a fixed price, for either Win, Place or Each Way, as declared by the Stewards and in accordance with the relevant racing authority requirements. In the event of a horse being withdrawn late by order of the Stewards, all Bets will be paid as Stewards direct and in accordance with the relevant racing authority requirements, including deductions on remaining runners.
- 32.2 In the case of fixed price racing Bets, if the time of Bet placement is after the official time for the declaration of final acceptances for an event, but before VikingBet makes any adjustment to the prices it has set for the event following a withdrawal, those Bets will stand subject to VikingBet's scale of deductions as applying to the prices offered by VikingBet for the contestant at the time of its scratching.
- 32.3 In the event of a field reducing in size from eight or more runners to between seven and three runners, VikingBet will pay three dividends on all fixed odds place bets struck prior to the field being reduced. These wagers will be subject to relevant deductions as declared by the stewards.
- 32.4 If a client places a Fixed Odds Place Bet and there is only between three and seven runners then VikingBet only pays two dividends (i.e., first and second), regardless of whether the Tote pays three dividends (i.e., first, second and third) courtesy of late scratchings.

### **33 Win limits Generally**

- 33.1 The maximum win dividends payable for SP (defined below at 35.7), VIC TAB, NSW TAB, QLD TAB and Middle Tote (being the middle odds from the VIC TAB, NSW TAB and QLD TAB) are:
- (a) \$51 for Greyhound Racing;
  - (b) \$51 for Harness Racing; and
  - (c) \$101 for Thoroughbred Racing.
- 33.2 VikingBet reserves the right to restrict the maximum dividend paid out for Win and Place Bets to \$101.

### **34 Calculation of Tote dividends and tote pool manipulation**

- 34.1 Where these Rules state that a dividend is to be paid as declared by a particular Tote, and that Tote fails to declare a dividend within ten (10) minutes of the other Australian Totes declaring a dividend, VikingBet will pay the dividend which is the lower of the dividends that were declared by the other Australian Totes.
- 34.2 VikingBet may cancel Bets where there are signs of pool manipulation which can include but is not limited to increase in pool size, dividends outside normal dividend combination parameters taking into consideration fixed odds of participants / runners.
- 34.3 VikingBet may place a limit on the payout (final odds) where there is reasonable suspicion of pool manipulation having occurred (e.g., Payout at the fixed odds SP place dividend or payout no greater than 100% higher than the next best Australian tote), subject to adjudication by NTRC.

- 34.4 If a tote pool goes down online and the pools are distorted, then VikingBet reserves the right to omit these dividends when paying out (e.g. if the NSW Tote pool is down, the higher of QLD TAB and VIC TAB will be paid for Best Tote Products. For Middle Tote products, the dividend will be deemed to be the lower of the two declared dividends).
- 34.5 In the event that one of VIC TAB, NSW TAB or QLD TAB for promotional reasons or otherwise, returns elevated dividends due to them foregoing their normal take-out margin, VikingBet reserves the right to declare its Best Tote dividends at the higher of the other two Australian Totes. Only "Win Only and Each Way" single wagers will be eligible (Multi Bets are ineligible) and VikingBet management decision on the matter will be absolute and final.
- 34.6 At the discretion of VikingBet management, Tote pools under \$1000 may be disregarded in the calculation of Best Tote and Middle Tote dividends. If this clause is relied on, Best Tote will be calculated using Middle Tote (assuming both Middle Tote pools are over \$1000) and Middle Tote will be calculated using the remaining Tote pools over \$1000 (if no Tote pool is over \$1000, the lowest Tote pool dividends will be paid).

**35** Below is description of VikingBet's racing products on offer. Depending on the status of the race meeting, differing product will be available daily as stated on the VikingBet Website:

#### 35.1 **Best Tote**

This product is the best of the VIC TAB, NSW TAB and QLD TAB. For any Win Only, Place Only or Each Way tote bet, all bets on Australian Racing codes are paid at Middle Tote.

#### 35.2 **Exotics**

(a) VikingBet operates on the following Racing Exotics:

- (i) *Quinella* – A Quinella is when two runners are selected to place first and second in any order.
- (ii) *Exacta* – An Exacta is when two runners are selected to place first and second in the correct order.
- (iii) *Trifecta* – A Trifecta is when three runners are selected to place first, second and third in the correct order.
- (iv) *First Four* – A First Four is when four runners are selected to place first, second, third and fourth in the correct order.
- (v) For each of the Quinella, Exacta, Trifecta and First Four, if a selected runner is declared a "non-runner" or scratched after the Bet is confirmed, Bets will be refunded on every combination which includes the scratched runner and the combination stands and the Bet re-calculated without the scratched runner.
- (vi) *Quadrella* – A Quadrella is when the winners are selected in four consecutive races listed on the Quaddie Race card. If a selected runner is declared a "non-runner" or scratched after the Bet is confirmed, Bets will be partially refunded for that leg. It will not transfer to the substitute favourite.
- (vii) *Flexi Betting* – allows you to take a Quinella, Exacta, Trifecta, First Four or Quadrella at an outlay to suit your own budget. This way you can have multiple selections for a smaller outlay. Simply make your selections and

nominate the total amount you wish to spend on your Bet. Your Bet will cost whatever you choose – and if you win you will receive a percentage of the full \$1 Middle Tote dividend. For example, let's say you wish to box five runners in a Trifecta. This Bet would normally cost \$60 for a \$1 unit. If you decide you want to spend \$15, that's all it will cost. \$15 represents 25% of a full \$1 unit (total cost of \$60), meaning if successful, you will receive 25% of the full \$1 Middle Tote Trifecta dividend. Thus, if the winning Trifecta dividend is \$200 for \$1, you will collect \$50. The minimum Bet for Flexi Betting is \$1. For Flexi Betting, VikingBet pays all dividends and winning combinations as declared by the selected Tote subject to the limits set out in the remainder of clause 35**Error! Reference source not found.**

- (b) All Racing Exotics (Quinella, Exacta, Trifecta, First Four and Quadrella) are paid at the dividend declared by the Middle Tote.
- (c) In the unlikely event that the location where the wager is struck is not covered by all three Australia totes, the dividend will be paid at the lower dividend displayed by the totes covering the wager.
- (d) Notwithstanding the maximum win limits contained in clause 34.14, VikingBet reserves the right to limit the total payout to any individual(s) on any Bet type.
- (e) In the event of a Dead Heat for any of the place getters, there will be as many dividends as there are correct order combinations, with each winning combination to be calculated as the Middle Tote.
- (f) Unless otherwise stated, and subject to the remainder of Part A, clause 35 for Metropolitan Thoroughbred venues, for Quinellas, Exactas, Trifectas and First Fours, VikingBet pays the dividend and winning combinations as declared by the selected Tote to a maximum payout of [\$15,000] per Member per event.
- (g) Unless otherwise stated, and subject to the remainder of Part A, clause 35, for Quadrellas, VikingBet pays the dividend and winning combination as declared by the selected Tote to a maximum payout of \$10,000 in all non-metropolitan Thoroughbred venues, all Harness venues and all Greyhound venues per Member per event. In relation to Quadrellas on Metropolitan Thoroughbred venues, VikingBet pays the dividend and winning combinations as declared by the selected Tote to a maximum of \$15,000 per Member per event.
- (h) For all VikingBet Racing Exotics, where the event is in a location that is not covered by any Tote that is governed by an Australian State Government's regulations, the dividend and winning combinations declared will be settled to a maximum of \$5,000 per Member per event. Unless otherwise stated, for the purposes of these Terms, any race meeting conducted out of Australia will be deemed to be a non-metropolitan Thoroughbred venue. Where a leg of an Exotic Bet is abandoned or declared "no race", the dividend for that Exotic Bet will be paid or refunded in accordance with the Middle Tote dividend.

- (a) These can include the following: Head To Head, Favourite Out, Favourite vs Field, Inside vs Outside, Half vs Half and Odds vs Evens.

- (b) For the avoidance of doubt, a winning selection in the Head to Head market must finish in the first four placings to be resulted as a winner.
- (c) In the event any runner is a late scratching after you have placed a Bet then your selection will be refunded.
